

The Union Nationale des Jumelages proposes one week in Budapest from September 10th to 17th 2011

What you will see during this week:

The historical district of Buda with its palace. St Mathias' Church and the fishermen's bastion. The parliament, the Opera house, the fine arts Museum, the postal Museum, the Royal Castle Grassalkovich which used to be Sissi's summer residence, and so on...

We will make two excursions out of Budapest and go to the mouth of the Danube and to the Puszla, a wide Hungarian plain in Lajosmizse. We also forecast a break in the Baths.

For your pleasure, one dinner will be served during a cruise on the Danube.

A programme with all details will be sent to the participants one month before departure.

People organise the trip to Budapest on their own. We can call you at the airport, on request.
